

Silent Electric Flyers of Long Island 2012

Membership Renewal New Application

DUES: \$30 Newsletter Only: \$12

(Junior AMA members no charge when parent or guardian is a paid member)
Join the Wingnutz club (to fly at Wingnutz Calverton field, electric only) for an additional \$20.00

The Silent Electric Flyers of Long Island (SEFLI) is a volunteer organization dedicated fellowship and the advancement of the art and science of electric powered flight. Please fill out this form and remit it, with your dues (make checks payable to SEFLI), to the treasurer: Rick Cascella, 181 Beaver Dam Rd, Brookhaven, NY 11719.

Address: _____

City, State, Zip: _____

Home Phone: _____ Work Phone: _____

Email: _____

In case of need:

In case of illness notify: _____ Phone: _____

Doctor: _____ Phone: _____

Notes (Pacemaker, allergies, diabetes, etc.): _____

SEFLI membership (\$30)

Wingnutz Membership (\$20)

(entitles the SEFLI member to the use of the Calverton model flying site) You may write one check to "SEFLI" for \$50 to cover both).

Note: SEFLI members who join the Wingnutz are NOT allowed to fly glow or gas models at the Wingnutz field, only electric models.

Check here if you do not have internet access and would like to have the newsletter mailed to you.

SEFLI does not have its own field to fly at. A majority of the members fly at the Grumman Wingnutz field in Calverton NY. This requires those members to also join that club for an extra \$20.00. Though the Wingnutz field is a mix of glow/gas/electric, those SEFLI members that also join the Wingnutz must NOT fly anything at this field but electric powered aircraft.

(Competent pilot) SEFLI members may also fly at the Bethpage Polo field with an application sent separately to the Belmont Lake State Park Office. The current fee is \$40.00 paid to the Parks dept.
