Doctor: _____ Phone: _____

Notes (Pacemaker, allergies, diabetes, etc.): _____

SEFLI membership (\$50)

SEFLI does not have its own field. A majority of the members fly at the Grumman Wingnutz field in Calverton NY. A portion of your SEFLI dues goes to help maintain that field. Though the Wingnutz field is a mix of glow/gas/electric, those SEFLI members that fly at the Wingnutz field must **NOT** fly anything at this field but electric powered aircraft.
